Birdsong Cottages

The Lovebird unit is the latest edition to the Birdsong Cottages collection. The thatch-covered stone cottage, converted from a chapel built at the Uitkyk, is a romantic 1 bedroom unit with private bathroom, open plan living and dining area with kitchenette, deck and sparkling splash pool overlooking the valley below.

With its perfect position overlooking the rich tree life of Birdsong Cottages, Lovebird is conveniently located on the upper level of the property close to the Flycatcher Villa and Sunbird cottages.

It is also within walking distance of the Koi Pond venue and the reception.

Parking is next to the reception. Access to the cottage is via a steep staircase and guests who book this unit need to note that the stairs may be problematic for guests who have problems climbing stairs or elderly and disabled guests. However, once at the front door of this gorgeous stone cottage, the entire unit is on one level, and the open plan living / dining area opens up onto a wooden deck with splash pool and breath-taking views.

There is a cosy boma leading off from the deck via a short staircase. An evening beside a roaring fire in the bush can be quite romantic, especially since this unit only sleeps two guests.

A comfortable bedroom with king sized four-poster bed is centred in the room with windows on either side, giving it a spacious atmosphere with plenty of light. The private bathroom leads off from the main bedroom and has a shower, toilet and basin.

Please note that the unit does have a gas geyser.

ABOUT BIRDSONG COTTAGES:

Set in the scenic Waterberg Mountains lies the small Bushveld town of Modimolle (previously named Nylstroom). Here, in the heart of the Bushveld on a 64-hectare farm, are Birdsong Cottages, a series of self-catering cottages 14kms outside the town on the R101.

At Birdsong, guests wanting to escape city life bustle can choose between budget, standard and luxury cottage units. Nestled in the bush, Birdsong gets its name from the plentiful birdlife that

flock to the Nylsvley Nature Reserve, a 30-minute drive away. Birdsong is an easy 90-minute drive from Pretoria. As soon as guests turn off the R101, they start to unwind. Driving on the 8km gravel farm road, guests pass through beautiful natural bush before reaching the peaceful cottages nestling in the hills. The farm also features a country pool available to all guests, wedding facilities, a boma, two farm dams and surrounding gardens.
